

**KANZ NEWS - AUGUST 2015**

**We all want to be famous people - and  
the moment we want to be something,  
we are no longer free**

Please see this, for it is the real clue to the understanding of the problem of freedom. Whether in this world of politicians, power, position and authority, or in the so-called spiritual world where you aspire to be virtuous, noble, saintly, the moment you want to be somebody you are no longer free. But the man or the woman who sees the absurdity of all these things and whose heart is therefore innocent, and therefore not moved by the desire to be somebody - such a person is free.

## **INTRODUCING BROCKWOOD PARK SCHOOL**

Brockwood Park School is an international co-educational boarding school in the southern English countryside that offers a personalised, holistic education for just over 70 students aged 14 to 19. The place is deeply inspired by J. Krishnamurti's teachings, which encourage academic excellence, self-understanding, creativity and integrity in a safe,

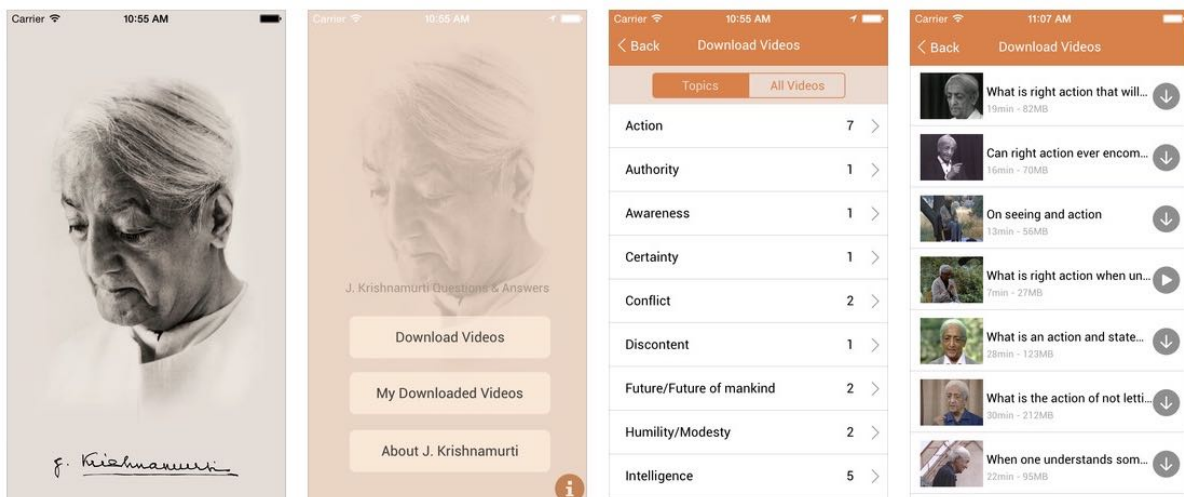

non-competitive environment.

Education at Brockwood goes beyond more traditional kinds of learning. Not exclusively academic, it integrates academic excellence in its mission to help students learn the art of living, and brings together aspects of learning, sensitivity, open-mindedness, and self-reflection that are too often ignored.

## J. KRISHNAMURTI QUESTIONS AND ANSWERS VIDEO APP

Krishnamurti Foundation Trust Ltd

During public question & answer meetings from 1976 until his death in 1986, J. Krishnamurti would reply to written questions put by the public. These questions were given to him the day before the meetings, and among the dozens received a selection was made. Krishnamurti would often spend time answering just a few of the questions, taking time to explore in depth the many facets of an individual topic. His replies were like "mini" public talks, with a beginning, a middle and an end, some lasting just a few minutes while others lasted nearly an hour.

In addition to these questions and answers, extracts from public talks, together with answers to spoken questions put directly to Krishnamurti at

the end of some of the talks have also been selected and included in this app.

More topics will become available with every app update.

The app is available for iPhone and iPad and can be downloaded from the Apple iTunes App Store.
